We hope you will encourage your students to wear ethnic costumes to the Folk Fair. They may want to wear something that represents their own heritage, or perhaps something that they have studied in school.

The price per student this year will be \$6.00. This includes a passport and access to continuous entertainment from around the world.

Do you have a dance or music group that would like to dress up and entertain other students during the student days? If you would like to volunteer to have your students participate in this year's Folk Fair, or if you need more information about the events, please contact the SPIFFS office at folkfair@ij.net or 727-552-1896.

Please visit our website - www.spiffs.org - where you will find materials for preparing your students for their Trip Around the World of SPIFFS.
